91.0 GROUP AIR ACTIVITIES SCHOLARSHIP:

- 91.1 This year two applications were received for the Air Activities scholarship and because of the standard of both applicants it became difficult to reach a successful result.
- 91.2 As a consequence the Victoria Group Council has decided to award two scholarships for 2005.
- 91.3 It is with a great deal pleasure that I advise that the successful candidates for the Victoria Group Air Activities scholarship 2005 is Corporal Benjamin Hofmann of the Berwick Boys Squadron and Warrant Officer David Wheeler of the Niddrie Squadron.
- 91.4 This has been a very successful period for David Wheeler, he has gained the Group and Federal Cadets of the Year awards, been the joint winner of the group Air activities scholarship and now we have received advice that David has now been accepted in the Aeronautical Engineering course at of Melbourne RMIT.
- 91.5 Our congratulations go to both recipients and we wish them well with their flying under the guidance of the Instructors at Tristar Aviation at Moorabbin Airport.
